NOTE

Bathtubs and showers are available in left hand (LH) and right hand (RH) versions. The left hand (LH) and right hand (RH) versions are identified as follows:

Whirlpool baths and bathtubs

The position of the bathtub's backrest when standing outside the bathtub, in front of the control panel.
I.e. Backrest on the left = left hand (LH) bathtub.

Showers

The side from which the door opens towards.
I.e. The door opens to the left = left hand (LH) shower.

THE ESSENCE OF JACUZZI®

The quality and knowledge of Jacuzzi® come together in a complete range for the bathroom; the regenerative well-being from baths and showers creates an experience of complete wellness for all.

Minimalist design meets the versatility and efficiency of the true, original hydrotherapy: from personalised, silent hydromassage to the vitality of the shower functions. A distillation of energy and performance without equal: the essence of Jacuzzi®.
